Total Eclipse of the Sun
Rochester, NY

Monday, April 8, 2024
3:20pm

All roads lead to Rochester, NY for the next great North American eclipse.

Centered in the line of totality, people in Rochester will experience this life-changing event with 3 minutes and 38 seconds of complete totality—1 full minute longer than the 2017 eclipse!

Across the entire Greater Rochester region, you'll be able to celebrate the total solar eclipse with music, food, viewing events, and a 4-day festival: **ROC the Eclipse**, here at the RMSC.
